

# **GRADUATE STUDENT MEETING**

# **16 November 2012**

# Jeffrey Hall, Institute of Education, 20 Bedford Way, London WC1H 0AL

(Nearest tube: Russell Square)

This meeting is intended as an introduction to the Society Meeting later in the day. All graduate students (and indeed any other mathematicians) will be very welcome.

## Programme

- 09.30 Coffee and Registration
- 10.00 Sebastien van Strien (Imperial College London) Title TBC
- 11.00 Coffee/Tea
- 11.15 Graduate student talks
- 12.45 Lunch
- 13.25 Award prizes
- 13.30 **Susan Hezlet** (LMS Publisher) *How to get your papers published*
- 13.45 Adrian Constantin (King's College London) Title TBC
- 14.45 Close of Meeting / Tea and Coffee
- 15.00 LMS Annual General Meeting and Society Meeting (see below)

### **Registration**

To register, please email Elizabeth Fisher (<u>meetings@lms.ac.uk</u>) by email by **12 November.** Places are free and all refreshments including lunch will be provided.

### Student Talks

Students are invited to give short talks (15 minutes) aimed at a general mathematical audience. Prizes will be awarded for the best two talks. If you would like to give a talk, please email Ari Laptev (<u>a.laptev@imperial.ac.uk</u>)

### <u>Travel</u>

The lectures will be held in Jeffrey Hall, Institute of Education, 20 Bedford Way, London WC1H 0AL. For directions, see: <u>http://www.ioe.ac.uk/sitehelp/16443.html</u>

Travel grants of up to £50 are available for students who attend both the Graduate Student Meeting and the Annual General Meeting.

LMS Annual General Meeting and Society Meeting

The LMS Annual General Meeting is a Society Meeting, which is open to all.

Bryce McLeod (Oxford) will give the Naylor Lecture on *The Wedge Entry Problem*, and Charles Stuart (EPFL Lausanne) will speak on *Bifurcation*, asymptotic bifurcation and elliptic equations on  $R^N$ 

After the AGM, there will be a reception at De Morgan House, 57-58 Russell Square. For further details see: <u>http://www.lms.ac.uk/content/society-meetings</u>

The London Mathematical Society is the UK's learned society for mathematics. Founded in 1865 for the promotion and extension of mathematical knowledge, the Society has a membership of over 2500 drawn from all parts of the UK and overseas. Its principal activities are the organisation of meetings and conferences, publication of journals and books, provision of financial support for mathematical activities, and contribution to public debates on issues related to mathematics, research and education.
